

Laxton Village Hall

Improvement Questionnaire

The survey undertaken by the Laxton Village Hall Committee in 2014 highlighted that the community would like facilities in the village hall improved. Laxton Village Hall Committee is therefore proposing a major refurbishment. This will create a more attractive hall, ensuring its future and improving its facilities so that it can offer a wider range of activities and make it more comfortable and usable for people.

The Committee has devised a questionnaire that complements the survey. A few minutes of your time will be a great help in planning the improvements and gaining much needed access to grants and other funding streams.
