This meeting had been called to discuss the current position regarding this years mowing. Ivan took over the mowing at very short notice in February 2016 and unfortunately the mowers needed a service and re set. Ivan was asked if he would take on the mowing and the letter confirming the arrangements said, as in previous years, £550 would be the amount paid (this has always been £350 Football Pitch and £200 Cricket Pitch). Unfortunately the letter did not mention that it included the Cricket Pitch mowing as well and subsequently when Ivan was asked to mow it, he said he would want extra for doing it!!

However the Cricket season for Laxton has now finished and only 3 cuts have been done. It was suggested that Ivan be invited to our next meeting on 5/9/16 and explain the position to him and agree a cost for the three cuts he has done. We will also need to look to re-tender for next year at the correct price.

Neil said that Ivan is in fact making a brilliant job of the pitch and trims it regularly every week. Laxton AFC had a friendly last week and both the away team and the Referee commented on how good the surface is!!! Neil thinks Ivan will want to continue the mowing next year and we can talk to him about this at the meeting.

Michael will bring the Parish Council up to date at the meeting on Wednesday night.
